WORKASSIST@CREATE

WorkAssist@CREATE was established to provide specialised Disability Support Workers to other service providers on a fee for service basis.

WorkAssist@CREATE is made up of a pool of Disability Support Workers, who are trained in working with clients who may have challenging behaviours or learning difficulties, and helping them to achieve their goals.

This is conducted on a one-to-one basis, supporting clients through note taking and assisting with participation in an educational environment.

'Everyone should have the chance to develop their own pathways to achieving their dreams in the areas of: Education; Employment; Training, Work experience; Accommodation; Health; Money management; Independent living.'
