## Certificate III in Children's Services

*Providing  
the difference*

**Course information**

Our Certificate III in Children's Services will provide you with the skills and knowledge to enter the Children's Services sector as a trained assistant. The course provides you with the industry information and experience required for work in a range of environments in the child care industry.

**How to enrol**

If you would like to enrol in this course you need to;

 Complete the "Application for enrolment" on the reverse of this brochure and return to CREATE to reserve a place

 Attend an information session so you know what to expect during the course

**Work placement**

Students are required to successfully complete work placement as part of this course.

The purpose of placement is to;

 Allow you to put into practise the knowledge you will have gained during the course

 Experience the industry in a "real life" setting

Students are required to undergo a Police Records Check and Working with Children's Check at their own expense to meet workplace regulatory requirements before commencing work placement

**Why train with CREATE?**

CREATE has been delivering the Certificate III in Children's Services for the past three years. We combine a highly qualified and experienced trainer with a passion for the industry with quality training and industry based work experience for a winning combination.

**We can offer you:**

 Industry entry level training

 Industry based work placement during the course

 Experienced and professional trainers with current industry experience

**When and where**

The Certificate III in Children's Services is delivered over three days per week for 18 weeks. Class times are 9.30am – 3.00pm.

This course is delivered from CREATE's Head Office and has intakes in both February and July of each year.

**Employment Opportunities**

Successful completion of the Certificate III in Children's Services will prepare you for employment as a Childcare Assistant (supervised), Family Day Carer, Nanny and Out of School Care Assistant.

**Fees and Charges**

This course may be available to you at the concession rate. Students (or listed dependants) who hold a concession card are eligible for a concession on their tuition fees.
