About the Course

The Certificate IV in Training and Assessment (TAA) is the current nationally recognised qualification for delivery, training and assessment in the vocational education sector.

This course will enable students to develop the knowledge, skills and attitudes required to competently perform the role of a skilled trainer and assessor in the workplace and the VET sector.

Entry Requirements

It is not necessary to have completed previous training programs prior to undertaking the TAA however, candidates will need to:

- ◆ Have sufficient language, literacy and numeracy skills to complete the course
- ◆ Have a desire to become a trainer/ assessor or refresh your training skill
- ◆ Attend an Information Session prior to Enrolment.

Workplace Learning

CREATE has an interesting and action packed program. All practical components of the course will be undertaken through CREATE. You will do prepare learning programs, practice facilitation and conduct assessments with the group in class.

TAA Upgrade by Classroom Delivery

This option is for candidates who hold the previous qualification the Certificate IV in Assessment and Workplace Training (BSZ40198) and can demonstrate current knowledge and skill in training and delivery.

Recognition of Current Competency may be granted for the equivalent BSZ units with the remaining units covered in the classroom.

Training Course Outcomes

By the end of this course you will be able to:

- ◆ Establish and identify appropriate learning environments.
- ◆ Design practical and applicable learning programs.
- ◆ Plan, facilitate and deliver effective learning sessions.
- ◆ Develop and implement effective competency based assessments.
- ◆ Coordinate and manage quality training and / or assessment services.
