## Certificate IV in Training and Assessment

*Providing  
the difference*

### Course information

The Certificate IV in Training and Assessment (TAA) is the current nationally recognised qualification for delivery, training and assessment in the vocational education sector. This course will enable students to develop the knowledge, skills and attitudes required to competently perform the role of a skilled trainer and assessor in the workplace and the VET sector.

### Entry Requirements

There are no pre-requisites for the TAA however, candidates will need to:

- \* Have sufficient language, literacy and numeracy skills to complete the course
- \* Have a desire to become a trainer/ assessor or refresh your training skills

### Workplace Learning

CREATE has an interesting and action packed program. All practical components of the course will be undertaken through CREATE. You will prepare learning programs, practice facilitation and conduct assessments with the group in class.

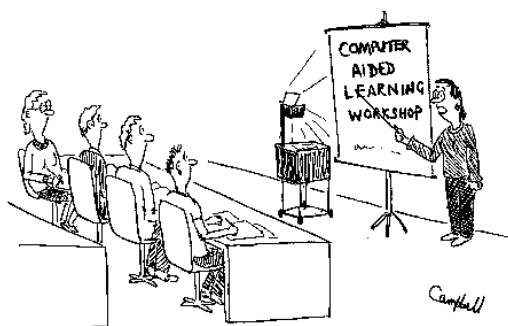

### Course Outcomes

By the end of this course you will be able to:

- \* Establish and identify appropriate learning environments.
- \* Design practical and applicable learning programs.
- \* Plan, facilitate and deliver effective learning sessions.
- \* Develop and implement effective competency based assessments.
- \* Coordinate and manage quality training and / or assessment services.

### When and where

The Certificate IV in Training and Assessment is delivered as class based training. Days and times may vary dependent on course intakes. Please contact us to find out details of current and upcoming courses.

### Why Train at CREATE?
